**Riding Description**

**Over 50 years in the game, we've learned a lot!**

Daniel Smart Manufacturing, Inc. has been making and distributing high quality motorcycle gear, accessories and fashion leather apparel since 1975. We serve everyone! That's right! We sell direct to consumers and wholesale to businesses of all sizes, big and small, from major brand labels to individual store owners all over the world.

**Privately Owned:**

Daniel Smart Manufacturing, Inc. is a privately-owned, independent company, with our offices and distribution center in Baltimore, Maryland, USA. That makes it more convenient for you, because we are able to pay your needs and develop an ongoing relationship with you. We don't just want your business for now, we want a partnership for a lifetime.

**Fashion Forward and Material Pioneers:**

We are never behind the times when it comes to industry trends or materials used to make the products consumers love and depend on. As one of the world's largest leather apparel manufacturers, our Research and Development Team incorporates an exclusive approach to our quality control systems, ensuring a premium final product. With the ability to purchase raw materials direct from the source, we control 100% of the manufacturing and design process from beginning to end, guaranteeing the most prestigious requirements are met.

**Quality at Every Level:**

Our expertise in the leather expert craftsmanship dates back over many generations. This combines ease of communication here with the cost advantages of overseas production. Also, the owner is always taking valuable time to test and make products more innovative. You'll find the products have strategically located pockets, zippers, snaps, ventilation options, and other cool features to make them more "wearer-friendly."

**WAREHOUSE & HEADQUARTERS**

Located in Baltimore, Maryland, USA, our Baltimore Manufacturing Inc.'s Distribution center and hub for all shipments and customer service needs. Both facilities are approx. 75,000 square feet, with climate control and high-class garment hanging system. These facilities are staffed with pro-professionals to ensure that all of the customer's needs are met, and ensure we have the best Standard Operating Procedures within the facilities to maintain an organized and efficient environment.

**One-Stop Ordering**

Our customers love that we are a one-stop shop. You'll be able to save yourself hours of placing orders and avoid multiple shipping costs by getting everything you need from our vast factory direct inventory. We provide that shipping as well, and can send items directly to you customer on your behalf. We want to do our best to eliminate as many headaches as possible for you! When you join us as part of our "Family of Dealers," we will personally work with you to make all of your business needs. All of us here at Daniel Smart Manufacturing, Inc. are honored and look forward to serving you!
